

Norwegian Folk Dance Teacher Training Workshop

October 30 – November 6, 2005 (Sunday afternoon through the following Saturday night)

Nordahl Grieg Leikarring og Spelemannslag (CA) and Noregs Ungdomslag (Norway) present a week of teacher training in Norwegian folk dance and music. We will be featuring dance teachers Torunn Hernes and Johan Einar Bjerkem from Norway. Music will be provided by Toby Weinberg (New York) on hardingfele, fiddle, and seljefløyte, Bill Likens (California) on accordion and torader, and possibly a musician from Norway on fiddle.

The second session of the Teacher Training course for North America follows the annual fall Folkdance Stevne, which will be held on October 28 – 30, 2005. Teacher training classes (in English) will be held during the day with practice teaching, dancing and music in the evening.

This course, which can lead to certification through Noregs Ungdomslag, can help dance instructors learn dance and music material, start new classes, and develop teaching and leadership skills to take back to their dance group or ensembles. Johan Einar and Torunn will arrange to present the material from the first session (level 1 of 2 levels) for those who missed it last year, while also moving on to new material so that last year's graduates can complete the full two-year course. Registration for the teacher training course is limited to 25 people.

Back by popular demand, on their third visit with us, Johan Einar and Torunn will be conducting their second teacher training workshop at Camp Norge. They have taught, lectured and performed throughout Norway and abroad to people of all ages and abilities.

Bill Likens, from Mountain View, CA, is the music director of the Nordahl Grieg Spelemannslag. A longtime dancer, Bill plays international styles of folkdance music, as well as Norwegian music. He plays trekkspell (piano accordion) and torader for performance groups and dance parties. The spelemannslag completed their third CD this spring.

Toby Weinberg, of Syracuse NY, is the founder and music director of the Boston Spelemannslag and the Finger Lakes Hardingfelelag in New York. He has competed on hardingfele (Hardanger fiddle) in Norway and has performed solo and with several Norwegian and American dance performance groups. Toby is an instructor in great demand throughout the USA.

Food will be organized and prepared by Ginny Lee and Toby Weinberg.
